

## Cadell feels right at home.

 2 BED  1 BATH  1 CAR

Step from your carport and through your front door into your welcoming home's hallway. Passing two airy double bedrooms on your left and bathroom to your right, you'll enter a spacious, light-filled kitchen, dining and living area.

Sliding doors create even more space, enticing you out to your optional alfresco decking area. The clever 'U' shaped kitchen creates ample bench and elevated cupboard space, while the double glass doors and windows let in plenty of the Moama sunshine.
